Tirupur, Tamil Nadu.

PROFILE

B.Sc. Information Technology graduate (2021–2024) with strong knowledge in HTML, CSS, JavaScript, React.js, Node.js, and Python. Familiar with developing responsive web applications and basic backend concepts. Gained professional experience in data processing, CRM tools, and operations at IIFL Samasta Finance (Nov 2024 – Feb 2025) and as a Fabric Warehouse Assistant (Data Entry) at Eastman Exports (Oct 2025 – Present). Good understanding of SDLC, debugging, and problem-solving. Seeking entry-level roles in Software/Web Development or IT Support.

WORK EXPERIENCE

IIFL Samasta Finance **Nov 2024 - Feb 2025**
Customer Relationship Officer (CRO)

- Assisted customers with loan applications and processing, ensuring accurate documentation and verification.
- Managed cash transactions, loan disbursements, and collections with precision and accountability.
- Built and maintained strong client relationships, enhancing customer satisfaction and retention.
- Educated customers on loan products, repayment schedules, and financial services.
- Consistently met monthly loan disbursement and collection targets while adhering to company policies and compliance standards.

Shanmuga Stitching Center **Oct 2025 - Feb 2026**
Fabric Warehouse Assistant (Data Entry)

- Maintained accurate records of inward and outward materials using delivery challans (DC) and inventory systems.
- Managed fabric stock tracking, ensuring proper storage, organization, and availability of materials.
- Handled data entry and updated inventory details in Excel and internal systems with high accuracy.
- Coordinated with the merchandising team to issue fabrics for sampling and production requirements.
- Monitored stock movement and supported smooth warehouse operations and reporting.
